

Office of the Mayor

12 March 2018

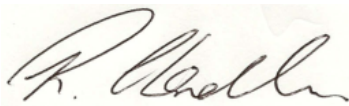

To Whom it May Concern,

Hello to all you Australian Motorhoming Lions Club members. I now realise what a huge challenge you have set yourselves to break the record for the longest line of Motor Homes here in Barcardine and I am confident we as a team will smash it.

On route to the events we have some great communities that will look after you on your way to the event. Alpha to the East along with Jericho and the Red Bank river stop. To the South the quaint little community of Tambo and then Blackall at their river stop. Aramac to the North is the perfect spot to be ready for the line up or if you want to come a little earlier than just pull up in Muttaborra for a day or two. From the West there is the iconic Winton town with their Matilda Centre and of course our regional centre of Longreach and all it has to offer.

I personally, along with all of my Councillors and great staff look forward to assisting in not only breaking the record for the club, but to also host your visit and ensure you have a great experience in our little patch of Queensland.

Yours faithfully,

Cr Rob Chandler
Mayor
